NEW ACCESSORIES

New accessories have been included in the Wardrobe range so to further

improve our product. These new accessories upgrade our proposals, offer ergonomics and high aesthetics appeal.

Browse through the photos below.

The new accessories are BROWN and blend perfectly with the LEGRABOX internal drawers that we already have in our wardrobe range.

Flexible components which can be configured for practically any space.

- **Wardrobe tubes & supports**

Round tube with supports that connect to either the top of the wardrobe cabinet or the shelf.

- **Metal frame & runners**

Available in 2 dimensions:

For wardrobe cabinet 90cm where the frame opening is 75,2cm

For wardrobe cabinet 100cm where the frame opening is 85,2cm

Below we include a list of components that can be adapted to the metal frame:

- 1. Metal wire basket 675mm.**

2. Metallic drawer 675mm

3. Wooden drawer organizer - 683mm

4. Laundry hamper 383mm

5. Small auxiliary tray 10cm

6. set of trouser rods

Various components can be adapted to the metal frame depending on their dimensions.

Below we provide example for wardrobe cabinet 90cm where the frame opening is 75,2cm :

- Metal wire basket or metallic drawer
- Laundry hamper + 2 small auxiliary trays + 1 set trouser rod
- Laundry hamper + 4 set trouser rod
- 7 set trouser rod
- Wooden drawer organizer

Another example for wardrobe cabinet 100cm where the frame opening is 85,2cm :

- Metal wire basket or metallic drawer

- Laundry hamper + 2 small auxiliary trays + 2 set trouser rod
- Laundry hamper + 5 set trouser rod
- 9 set trouser rod
- Wooden drawer organizer + 1 small auxiliary tray

Additional Accessories

Lateral Pull-out shoe rack right / left

Pull-out hanging rail (connects to either the top of the wardrobe cabinet or the shelf)

Lateral Pull-out tie rack- soft close

Mirror for pull - out – soft close

We recommend that the mirror pull-out be mounted on either of the below:

1. Onto the side of the shelving unit type 2 (either it be sliding or Pull out)
2. Onto the outer side panel of a sliding door wardrobe.

And last, a NEW LIFT (770-1200) which we come to add to our wardrobe accessories.

Available now in BROWN, the design has been improved and is more durable.

All the above accessories have been included in our on line catalogue system as of 20-3-2017.

Thank you,
Nikolidakis Group SA
